Subject

MEMORANDUM FOR: Deputy Director for Support

SUBJECT : Office of Personnel Report - Week Ending 28 July 1967

1. Trip Report - Military Personnel: Colonel [REDACTED] and

25X1A

Major [REDACTED] visited San Antonio, Texas, during the period 24 - 27 July for discussions with the following officers at the Air Force Military Personnel Center, Randolph Air Force Base:

a. Colonel James Fielder and Major Bill Gible, Office of Officer Special Assignments. This office is responsible for providing Air Force Officer detailees as required by the Agency. Discussion centered around our anticipated requirements during the remainder of Fiscal Year 1968. Additionally, Colonel Fielder asked about the possible use of our Air Force Career Trainees as White House Social Aides. This would apply to those officers assigned here in the Washington, D. C. Metropolitan Area during their second year of active duty who are single and who would volunteer for this additional duty. This requirement would exist only after normal duty hours, and it would in no way interfere with their Agency training. The Office of Training officials are currently weighing this request.

b. Major Robert Stevens, Office of Airman Special Assignments. This office furnishes our enlisted detailees, and was the primary reason for this staff visit. Major Stevens, a new assignee, was briefed regarding our special and very unique requirements. After a very lengthy and comprehensive discussion, however, Major Stevens

clearly understood our situation, and we feel, will be better able to serve our needs.

c. Lt. Colonel Howard Hosack, Director of Personnel Resources and Distribution. This office is responsible for all matters pertaining to our Air Force Career Trainees. The Agency's anticipated requirements were discussed.

25X9

3. Cooperative Education:

a. We have arranged visits in the fall to interview students at Northeastern, Rochester Institute of Technology and University of South Florida. We will also visit the new University of West Florida, opening this fall, which will have cooperative education students who are juniors and seniors.
